CANCELLATION & NO-SHOW POLICY

We understand that situations arise that require you to cancel your appointment. Therefore, if you must cancel your appointment, please provide more than 24-hour notice. This will enable another person who is waiting for an appointment to be scheduled in that appointment slot. With cancellations made less than 24 hours in advance, we are unable to offer that slot to other patients.

Office appointments that are canceled with less than 24-hour notice may be subject to a \$35 Cancellation fee.

Patients who do not come to their scheduled appointment without a call to cancel the appointment will be considered a No Show. Patients who No Show two (2) or more times in a 12-month period may be dismissed from the practice and denied any future appointments. Patients may also be subject to a \$35 No Show fee.

The Cancellation and No-Show fees are the sole responsibility of the patient and must be paid in full before the patient's next appointment.

We understand that special unavoidable circumstances may cause you to cancel within 24 hours. Fees in these instances may be waived with management approval.

Please sign that you have read, understand and agree to this Cancellation and No-Show Policy.
